*"Politics is the art of looking for trouble,
finding it everywhere,
diagnosing it incorrectly
and applying the wrong remedies."*

George Lilly, Republican Congressional Candidate, agrees!

1. **Restore** the economy -- free up business from onerous outdated regulations.
2. **Restore** proper use of the military (136 nations have U.S. military presence.)
3. **Restore** integrity to the treaty process to protect America's interests first.
4. **Restore** individual privacy and say "no" to the Real I.D. Act.
5. **Restore** high quality medical care at affordable prices.
6. **Restore** checks & balances -- the executive branch has gotten too powerful.
7. **Restore** integrity in the campaign financing process.
8. **Restore** integrity to the dollar -- re-institute the gold standard.
